JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

place of death to the grave, must be completely wrapped in absorbent cotton and then wrapped in a sheet saturated with a solution of bichloride of mercury 1:2000; all inclosed in a tightly sealed casket.

**Burial—Permits—Cemeteries. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 44. It shall be the duty of every superintendent of a cemetery, or other person in charge of any cemetery or burying ground within the city, to receive the permits issued for burials in said cemetery or burying-ground; to preserve the same and to furnish to the board of health of said city, upon Monday of each week, a written report, upon blank forms to be furnished upon application by said board of all burials made or caused to be made by him.

RULE 45. Any grave in which any dead body shall be buried within this city shall be dug to a depth of not less than 5 feet below the surface of the ground.

RULE 46. No new cemetery, burying-ground, vault, or tomb for the reception and burial of human bodies, shall be established within this city, or under the control of any organization within said city, without a permit so to do first being granted by the board of health of said city. No additions shall be made to those already in use without the same authority.

**Offensive Trades—Regulation of. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 47. No person, company, firm, or corporation shall erect or maintain any manufactory or place of business within this city which is dangerous to life or detrimental to health, or where unwholesome, offensive, or deleterious odors, gas, smoke, deposit, or exhalations are generated, except in such places as are allowed by the board of health. All such establishments shall be kept clean and wholesome, nor shall any offensive or deleterious waste substance be allowed to accumulate upon the premises or be thrown or allowed to run into any public waters, stream, watercourse, street, or public place.

RULE 48. All licenses granted by the board of health may be revoked at the discretion of said board.

**Medicines and Substances for Household Use—Distribution of. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 49. No person shall distribute, or cause to be distributed, from house to house on any street in this city, any package or bottles containing free samples of any medicinal substances, or substances for household use, except by permission of the board of health.

**Barbers and Barber Shops—Regulation of. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 50. The place of business, together with all the furniture, shall be kept at all times in a cleanly condition.

Mugs, shaving brushes, razors, tweezers, needles, or other instruments used for removing hairs, shall be sterilized in boiling water after every separate use thereof.

A separate clean towel shall be used for each person.

Alums or other astringents shall be used in powdered form and applied with a clean towel.

The use of powder puffs and sponges is prohibited.

Every barber shop shall be provided with running hot water.

Every barber shall clean his hands thoroughly immediately after serving each customer.

Hair brushes and combs shall be thoroughly washed, at least once a day.

No person shall be allowed to use any barber shop as a dormitory.

Shaving mugs, etc., except those in constant use, shall be kept in closed or covered receptacles.

Hair and other waste accumulations shall be destroyed each day by fire, or by such means as the board of health may approve.

Every barber, after handling any one with any skin eruption, must cleanse his hands thoroughly before handling the next person, and all tools used in connection therewith must be thoroughly sterilized before they are used again.

**Common Eating and Drinking Utensils—Prohibited in Public Places. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 51. The use of common drinking cups in any public place, park, street, or avenue, public institution, or in any hotel, theater, factory, school, public hall, or in any railroad car or ferryboat, or in any railway station or ferry house, or the furnishing of any such common eating or drinking utensils for use in any such place is hereby prohibited.

The term "public place" as used herein shall be construed to include:

- (a) Any place where goods, wares, or merchandise are sold or offered for sale.
- (b) Any department, bureau, building, or office of a municipal corporation.

The term "factory" as used herein shall be construed to include any workshop or manufacturing or business establishment where persons are employed at labor.

**Eating and Drinking Utensils—Cleansing of. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 52. All utensils used in the preparation, service, and sale of any food or drink intended for human consumption shall be properly cleansed after being used, and no such utensil shall, under any circumstances, be used a second time unless it shall have been, after the previous use thereof, so cleansed. In such cleansing the use of water which has become insanitary by previous use is prohibited.

**Milk and Cream—Production, Care, and Sale. (Reg. Bd. of H., Feb. 26, 1915.)**

RULE 53. SECTION 1. No milk or cream shall be sold in the city of Pittsfield after the passage of this ordinance except from cows that have been subjected within one year to examination that shall be satisfactory to the board of health and to the inspector appointed by the board of health of the city of Pittsfield under chapter 405 of the acts of 1909, and pronounced free from the disease known as tuberculosis or any other disease that may render the milk injurious to man.

In case an examination made by any person other than the inspector of the city of Pittsfield shall be unsatisfactory either to him or to the board of health, a proper examination shall be made by said inspector for the city of Pittsfield and his decision shall be final.

SEC. 2. Any person selling or distributing milk in the city of Pittsfield shall at the time of taking out his license inform the board of health in writing of all sources from which he receives his supply, and upon making any change whatever in the sources of his supply shall immediately give notice to the board of health of such change.

SEC. 3. Whenever the board of health shall deem it necessary, but not less frequently than once during each year, it shall make, or cause to be made an inspection of all dairies and other places from which the milk is sold in the city of Pittsfield and shall keep a written report of the result of such inspections on file in its office for public examination and reference.

SEC. 4. All cans, bottles, or other vessels of any sort used in the sale, delivery, or distribution of milk shall be cleansed or sterilized before they are used again for the same purpose, and all wagons used in the conveyance of milk for sale or distribution shall be kept in a cleanly condition and free from offensive odors. No person shall use
